

Hedgehog Lesson Materials

Materials (per table):

- Exploration activity sheet
- Small plastic hedgehogs (one per student)
- Moss (enough for each student to have a piece)
- Small, shatterproof magnifying glass (one per student)
- Zip top, rectangular snack bag (one per student) with hedgehog outline drawn onto it
- Wooden toothpicks (10 – 15 per student, likely one to two boxes per classroom)
- Teacher will supply water to fill and seal snack bags before lesson.
